

Wireless Network: RCCD_Inet

RCCD_Inet allows users to access the internet without having to login over and over again. There is no time limit to this network and no splash screen before you login. The network is also encrypted and more secure. All users need to follow RCCD's Board Policy AP 3720, Computer and Network Use.

This is the preferred wireless network!

(See instructions on how to connect below)

NOTE: This wireless network is not a replacement for the Internet_LAN.

How to connect to our Wireless Network

1. On your device, find the wireless connection icon. It might look like one of these:

2. Find the wireless network RCCD_Inet

3. Click **Connect**

Note: if asked to select the **EAP Method**, make sure to select **PEAP**

4. You will be prompted to login using your own username and password.
 - a. Students: You will use your student email address and password
e.g. if you email address is *adavis19@student.rccd.edu*, you will use this as your login name. Your password is the same as your email account password.
 - b. Staff/Faculty: You will use your College email address and password.
Your login and password is the same as your college email.
 - c. **Guests:** See information on the Guest network below.

Wireless Guest Network: RCCD_Guest

The RCCD_Guest wireless network is available on all three colleges. This wireless service is for guests to access the network without requiring prior permission. The guest network will only allow users two hours of access before requiring you to login again by providing an email address. This service may not be available at the satellite campuses or other district sites.

Users of the Guest wireless network will be limited to access the CCCApply and RCCD websites only!

- The Guest wireless network is intended for college applications only.
- Once your application has been submitted and approved you will be given a District Student email account which you can use to access the RCCD_iNet wireless network. Instructions are above.
- Any guest of the district – i.e. a guest speaker, vendor, or other guest of the college or district can received access through a department sponsor. Please ask your contact at the college or district to submit a request through the district Helpdesk (helpdesk@rccd.edu). A guest account can take up to 24 hours to process.
- Sponsored events can be allowed if given ample advanced notice to the helpdesk.

NOTE: Access by way of Internet_LAN remains unchanged.
