OFFICE OF THE CHANCELLOR

MORENO VALLEY COLLEGE | NORCO COLLEGE | RIVERSIDE CITY COLLEGE

March 10, 2017

Dear Students:

I know this is a difficult time for many of you.

At all three of our colleges, our values remain unchanged. We are committed to supporting all students, and we remain committed to being accessible, safe and welcoming institutions of higher education.

Diversity, equity and inclusiveness are hallmarks of the RCCD colleges. Our faculty and staff strive to assure that the rights of all persons are protected and that no one, regardless of ethnicity, culture, religious affiliation, gender identity/expression, or disability, should ever feel threatened, harassed, or marginalized.

While we have board policies and administrative procedures that address non-discrimination and prohibit harassment and retaliation, the Board has adopted Resolution Number 38-16/17 entitled **Support of Student Access and Protection** and Resolution Number 43-16/17 entitled **Support and Protection of a Culture of Care**. Additional information regarding these documents and the Family Educational Rights and Privacy Act (FERPA) is available on the District website at [www.rccd.edu/cultureofcare](http://www.rccd.edu/cultureofcare). Should any of you feel concerned or have questions, please contact the Office of the Vice President of Student Services (*see contacts below*) at your college.

In addition, if you are approached while on campus by federal, state, or local officials asking for information or documentation regarding immigration status, I encourage you to immediately contact College Police at 951-222-8171. Our college police officers will act as liaisons with any other law enforcement officials on your behalf.

Sincerely,

*Michael L. Burke*
