### NOTES

- The District will use this pre-qualification list for future projects by issuing Request for Proposal (RFP) to solicit project's specific services. Interested proposers within the pool need to demonstrate their ability as the most qualified and experienced firm/team in response to the project specific scope of services and price negotiation.
- Individual contract reflecting firm's project-specific assignments upon a successful RFP response will be brought forward to the Board for approval prior to commencement of work on a project.
- The District will continue to pre-qualify new and interested firms on an as-needed basis and as deemed necessary by the District through a Request for Qualification (RFQ) process.
