The stipend paid to Faculty Development Coordinators is for work completed in both winter and summer intersessions.

Cooperative Work Experience: It is assumed that the instructor/ coordinator will spend an average of 3-1/2 hours per work experience student per semester for supervising, locating work experience stations, and completing the necessary paperwork. The factor of "3- 1/2" is used to multiply the lab rate (Group 1, Step 1, Hourly Salary Schedule) for each work experience student assigned to the instructor/coordinator on an overload basis.

**ADDITIONAL CONSIDERATIONS**

The specific stipends and reassigned time listed in Appendix D, E, and F of the Agreement will be annually reviewed by the District and the Association. All reassigned time, whether contractual or non-contractual, must be negotiated for or agreed upon in consultation with the Association. Administration has the right to assign temporary one-semester reassigned time without consulting the Association.

Unless otherwise stated, each reassigned time position is for one (1) faculty member. If two or more faculty members are sharing the position, the reassigned time and stipend must be split according to workload responsibilities.
