AGREEMENT WITH THE RCCD FACULTY ASSOCIATION,
CCA/CTA/NEA

Given that the last comprehensive contract negotiations between the District and the Faculty Association occurred nearly eight years ago, all concerned are aware from experience and changed conditions that some contract details should be changed, clarified, and incorporated into a new contract. Some may be new; others involve existing Memorandums of Agreement (MOAs) and Memorandums of Understanding (MOUs), which already have the force of contract agreement.

The District proposes to open the following articles of the 2011-14 agreement:

Article XI. Improvement of Instruction Tenure Review

- Discuss evaluation of contract load reassigned to non-teaching duties
- Define “institutional service”
- Discuss scope of evaluation process

Article XIII. Leaves

- Incorporate language on personal necessity leave for part-time faculty
- Clarify language related to sick leave and overload assignments

Article XX. Miscellaneous

- Update language on Community Education and Contract Education
- Discuss and revise language on distance education

Article XXI. Intersessions

- Explain language on leaves during summer and winter intersessions

Appendix J. Any Non-contractual District Grievance

- Update and clarify language related to notification of faculty

The District shares the Faculty Association’s interest in discussing the provisions of:

Article VII. Salary

Article X. Hours of Work and Faculty Load

Appendices A-F and K

Additional Recommendations for Consideration

- Clarify and update language throughout the Agreement for currency
- Review and discuss the possible inclusion of existing MOAs and MOUs into the contract
- Discuss a reorganization of the Agreement into sections for full-time and part-time faculty
- Explore mutually beneficial proposals that result in cost savings

Meeting	1/20/2015 - Regular
Agenda Item	Consent Agenda Action (VI-B-2-a)
Subject	Budget Adjustments
College/District	District
Funding	Various Resources
Recommended Action	It is recommended that the Board of Trustees approve the budget transfers as presented.

Background Narrative:

The 2014-15 adopted budget represents our best estimates of both income and expenditures. As the year progresses, however, some accounts have surplus funds while others are under budgeted. As provided in Title 5, Section 58307, the Board of Trustees may approve budget transfers between major object code expenditure classifications within the approved budget to allow for needed purchases of supplies, services, equipment and hiring of personnel. Unless otherwise noted, the transfers are within the unrestricted General Fund (Fund 11, Resource 1000). Additionally, at the close of each fiscal year, it is necessary for the Board to grant authority to make necessary transfers among the various accounts and funds of the district.

Agenda Item	Consent Agenda Action (VI-B-8-a)
Subject	Surplus Property
College/District	District
Funding	N/A
Recommended Action	It is recommended that the Board of Trustees by unanimous vote: (1) declare the property on the attached list to be surplus; (2) find the property does not exceed the total value of \$5,000; and (3) authorize the property to be consigned to The Liquidation Company to be sold on behalf of the District.

Background Narrative:

Education Code Section 81450 permits the Board of Trustees to declare District property as surplus if the property is not required for school purposes; is deemed to be unsatisfactory or not suitable for school use; or if it is being disposed of for the purposes of replacement. Education Code section 81452 permits surplus property to be sold at private sale, without advertising, if the total value of the property does not exceed \$5,000. The District has determined that the property on the attached list does not exceed the total value of \$5,000. To help defray disposal costs and to generate a nominal amount of revenue, the staff proposes that we consign the surplus property identified in the attachment to The Liquidation Company for disposal.

Agenda Item (VI-B-8-b)

Meeting	1/20/2015 - Regular
Agenda Item	Consent Agenda Action (VI-B-8-b)
Subject	2015-2016 Nonresident Tuition and Capital Outlay Surcharge Fees
College/District	District
Funding	N/A
Recommended Action	It is recommended that the Board of Trustees adopt a nonresident tuition Fee rate of \$200 per unit and a capital outlay surcharge fee rate of \$36 per unit for FY 2015-2016; and direct staff to promulgate these charges via the 2015-2016 catalog, schedule of classes, and other appropriate materials.

Background Narrative:

Education Code Section 76140 requires California community college districts to establish a nonresident tuition fee rate by Board action prior to February 1 each year for the succeeding academic year.

For fiscal year 2014-2015, the District's nonresident tuition fee rate is \$198 per unit. The calculated statewide average rate for fiscal year 2015-2016 is \$200 per unit. The calculated District average rate for FY 2015-2016 is \$198. The District's colleges recommend using the calculated statewide average rate of \$200 for FY 2015-2016.

In addition, Education Code Section 76141 authorizes California Community College Districts to charge nonresident students, except for AB 540 nonresident students who have attended high school in California and received a high school diploma or its equivalent, a capital outlay surcharge amount not to exceed the amount expended for capital outlay in the preceding year, divided by the total full-time equivalent students.

For FY 2014-2015, the District's capital outlay surcharge fee rate is \$50 per unit. The District's calculated rate is \$36 per unit for FY 2015-2016. The District's colleges recommend using the calculated rate of \$36 per unit for fiscal year 2015-2016.

Upon approval, staff will promulgate these charges via the 2015-2016 catalog, schedule of classes, and other appropriate materials.

Recommended Action	It is recommended that the Board of Trustees adopt Resolution Number 34 -14/15 approving amendments to the Bylaws for the Measure C Citizens' Bond Oversight Committee.

Background Narrative:

Changes in Proposition 39 language require revisions to specific sections of the RCCD Measure C Citizens' Bond Oversight Committee Bylaws. Given this requirement, RCCD bond counsel David Casnocha reviewed the original committee bylaws, approved by the Board of Trustees on May 19, 2004, and recommended appropriate language to ensure that the bylaws accurately reflect current Proposition 39 requirements. In addition, Mr. Casnocha proposed additional language changes based on best practices regarding bond oversight committees and the discharge of committee duties. The recommended changes are identified in the following manner: Changes required by Proposition 39 are underlined and bracketed with **; changes based upon best practices are underlined without **; deleted language is identified in red.

Agenda Item (VIII-E-1)

Meeting	1/20/2015 - Regular
Agenda Item	Committee - Facilities (VIII-E-1)
Subject	Agreement Amendment No.2 and No.3 for the Student Services Building with HMC Architects
College/District	Riverside
Funding	College Allocated Measure C Funds
Recommended Action	It is recommended that the Board of Trustees approve: 1) agreement amendment No. 2 for the Student Services Building Project at Riverside City College for additional Architectural Services with HMC Architects in the amount not to exceed \$35,500; and 2) agreement amendment No. 3 for the Student Services Building Project at Riverside City College for additional Architectural Services with HMC Architects in the amount not to exceed \$10,600.

Background Narrative:

On November 20, 2012 the Board of Trustees approved an agreement with HMC Architects in the amount of \$1,715,680 for the Student Services Building project at Riverside City College. On May 21, 2013 the Board of Trustees approved Agreement Amendment No. 1 in the amount of \$103,500 for additional Furniture, Fixtures and Equipment (FF&E) services.

Agreement Amendment No.2

The original contract was for an anticipated 33,000 gsf building. During the building design the scope of the project increased and the size of the building increased to 44,000 gsf. The change in size required additional effort on the mechanical, electrical, telecom and plumbing design. HMC is requesting \$35,500 to cover the additional work (Exhibit I).

Agreement Amendment No. 3

During the design the City of Riverside required different and more distant water connection for domestic and fire water. This required a redesign of the water connections and a new submittal to Riverside Public Utility. HMC is requesting \$10,600 to cover the additional work (Exhibit I).

At this time it is requested that the Board of Trustees approve the agreement amendments with HMC in the amount of \$35,500 and \$10,600 for additional Architectural Services. Approval of these amendments will bring the agreement with HMC total to \$1,865,280.

Cost for the requested amendments are within the project budget approved by the Board of Trustees and no augmentation of the project budget is required.

Regarding: Extra Service Authorization #2 (ESA #2)

Dear Laurens,

HMC appreciates the opportunity to submit the following ESA #2 proposal for your review and approval.

A. Project Understanding

Riverside Community College District (RCCD) is proposing to design and construct a Student Services and Administration Building on the Riverside City College (RCC) campus. The original RFP, dated August 23, 2012, described the area of the proposed facility as 33,000 GSF, which served as the basis for establishing the agreed upon A/E fee. Following completion of the Programming and Schematic Design phases the new program area is now established at 44,000 GSF (33% increase in area). The larger building area will require additional effort for the design and engineering of the mechanical, plumbing, electrical, fire protection, telecom and security systems. It is for this increase in effort for the design and engineering of these systems that we are requesting additional services.

B. Scope of Work

1. Mechanical Design: Provide the following for the additional increase in program area.
 - a. Additional load and pressure calculations.
 - b. Additional VAV boxes and associated ductwork and diffusers.
 - c. Additional Title 24 calculations.
2. Electrical Design: Provide the following for the additional increase in program area.
 - a. Additional lighting and associated wiring.
 - b. Additional outlets and associated wiring.
 - c. Additional fire alarm devices and circuiting/voltage drop calculations.
 - d. Additional Title 24 calculations.
3. Telecom Design: Provide the following for the additional increase in program area.

- a. Additional IDF closet.
 - b. Additional data and associated pathway design.
 - c. Additional security devices and associated wiring.
4. Plumbing: Provide the following for the additional increase in program area.
- a. Additional piping for the building plumbing systems.
 - b. Additional roof drains and associated piping.
 - c. Additional fire protection piping and sprinkler layout.

C. Compensation

HMC proposes to provide the above mentioned scope of work for a fixed fee of Thirty Five Thousand Five Hundred (\$35,500) Dollars. The breakdown is as follows:

MEPT	26,500
Security	2,500
Fire Protection	6,500
Total Fee	\$35,500

Upon review and acceptance of this proposal please forward your standard contract amendment to us for signature. We thank you for this opportunity to provide continued service to you, the College and District.

Regarding: Extra Service Authorization #3 (ESA #3)

Dear Laurens,

HMC appreciates the opportunity to submit the following ESA #3 proposal for your review and approval.

A. Project Understanding

Riverside Community College District (RCCD) is proposing to design and construct a Student Services and Administration Building on the Riverside City College (RCC) campus. The original intent was to make connections to on site utilities for domestic and fire water supply. Upon submittal of the sewer realignment to Riverside Public Utility, it was required by the City to show the water service to the building for reference. This prompted RPU to require the project to make new connections to the water mains in Magnolia Avenue rather than keep them on site within Fairfax Avenue as originally proposed. It was also required to adjust the existing easement for the new sewer and abandon the old easement.

B. Scope of Work

1. Prepare legal description for the abandonment of the existing sewer easement and file recordation documentation for the new easement.
2. Prepare a separate submittal to Riverside Public Utilities for domestic and fire water service.
 - a. Revise fire water connection to Magnolia Avenue from the west side of the project.
 - b. Revise domestic water connection to Magnolia Avenue to run in parallel to the fire water service.
 - c. Coordinate new water service with the irrigation plans and plumbing plans.

C. Compensation

HMC proposes to provide the above mentioned scope of work for a fixed fee of Ten Thousand Six Hundred (\$10,600) Dollars.

COMMUNITY COLLEGE LEAGUE
OF CALIFORNIA

RECEIVED
DEC 22 2014
BY: _____

Date: December 15, 2014
To: California Community College Trustees
California Community College Chancellors/Superintendents
From: Kimi Shigetani, Vice President, Community College League of California
Subject: CCCT Board Election - 2015

The California Community College Trustees (CCCT) board serves a major role within the Community College League of California. Meeting five times a year, the twenty-one member board provides leadership and direction to ensure a strong voice for locally elected governing board members.

From January 1 through February 15, nominations for membership on the CCCT board will be accepted in the League office. Nominations are to be made by member district board of trustees; and each district may nominate only members of its board.

Each nominee must be a local community college district trustee, other than the student trustee, and must have consented to be nominated. Only one trustee per district may serve on the board.

An official Biographical Sketch Form and Statement of Candidacy **must** accompany the Nomination Form mailed to the League office, and *please use only these forms*. Although not required, it is recommended that nomination materials be sent via certified mail, return receipt requested. Faxed materials will **not** be accepted due to the quality of transmission.

The election of members of the CCCT board will take place between March 10 and April 25. Each member district board of trustees will have one vote for each open seat on the CCCT board. CCCT board members are elected by the institutional member governing boards for three-year terms. No CCCT board member shall serve more than three (3) terms consecutively. This year nine persons will be elected to the board. Of those nine seats, one will be open due to a board member who has opted to not run for re-election to the CCCT board. A second seat is being vacated by a board member that did not win re-election at the district level in November. That seat will be filled by the trustee that receives the least number of votes among the top nine vote getters. Pursuant to the CCCT Governing Policies, that person will complete the term of the vacated seat, which expires in 2016 and will be eligible to run again in the next regular election cycle.

Election results will be announced at the CCCT annual conference. The newly elected members of the board will assume their responsibilities at the conclusion of the annual conference, May 3, 2015 and the President of the CCCT board will administer the Oath of Office at the June 19-20, 2015 meeting in Sacramento.

If you have any questions about the CCCT board election process, please contact Judy Centlivre (916-444-8641 or jcentlivre@cclleague.org) at the League office.
