- Promise Initiative/First Year Experience

Riverside County Education Collaborative

- Increase the percentage of students applying to three or more colleges to 60%
- Increase the percentage of FAFSA/Dream Act completions from 52.3% to 93%
- Increase the percentage of students enrolling in post-secondary education from 52% to 65%
- Increase the percentage of students who are college ready using several indications such as the early assessment program (EAP), UC/CSU A-G completion rates, and community college multiple measures/course placement

Annual Educational Summits
Fall 2015 - Present

Bring together faculty, staff and administrators from MVC, Moreno Valley USD, and Val Verde USD to identify strategies to better prepare our college for the transition of students into and through Moreno Valley College.

Outcomes include:
◦ Articulation Agreements
◦ Cyber Educational Partnerships
◦ Math & English Collaboratives
◦ Dual Enrollment

K-12/MVC Collaboratives

To create equitable opportunities for historically underrepresented and underserved communities through collaboration, shared accountability, and systemic changes to support students' successful college transition and completion

The collaborations include the following activities:

- Regular meetings
- Site and classroom visits
- Curricular alignment
- Message alignment
- Policy alignment
- Conference presentations
- Resource sharing
- Cross-institutional classroom collaborations
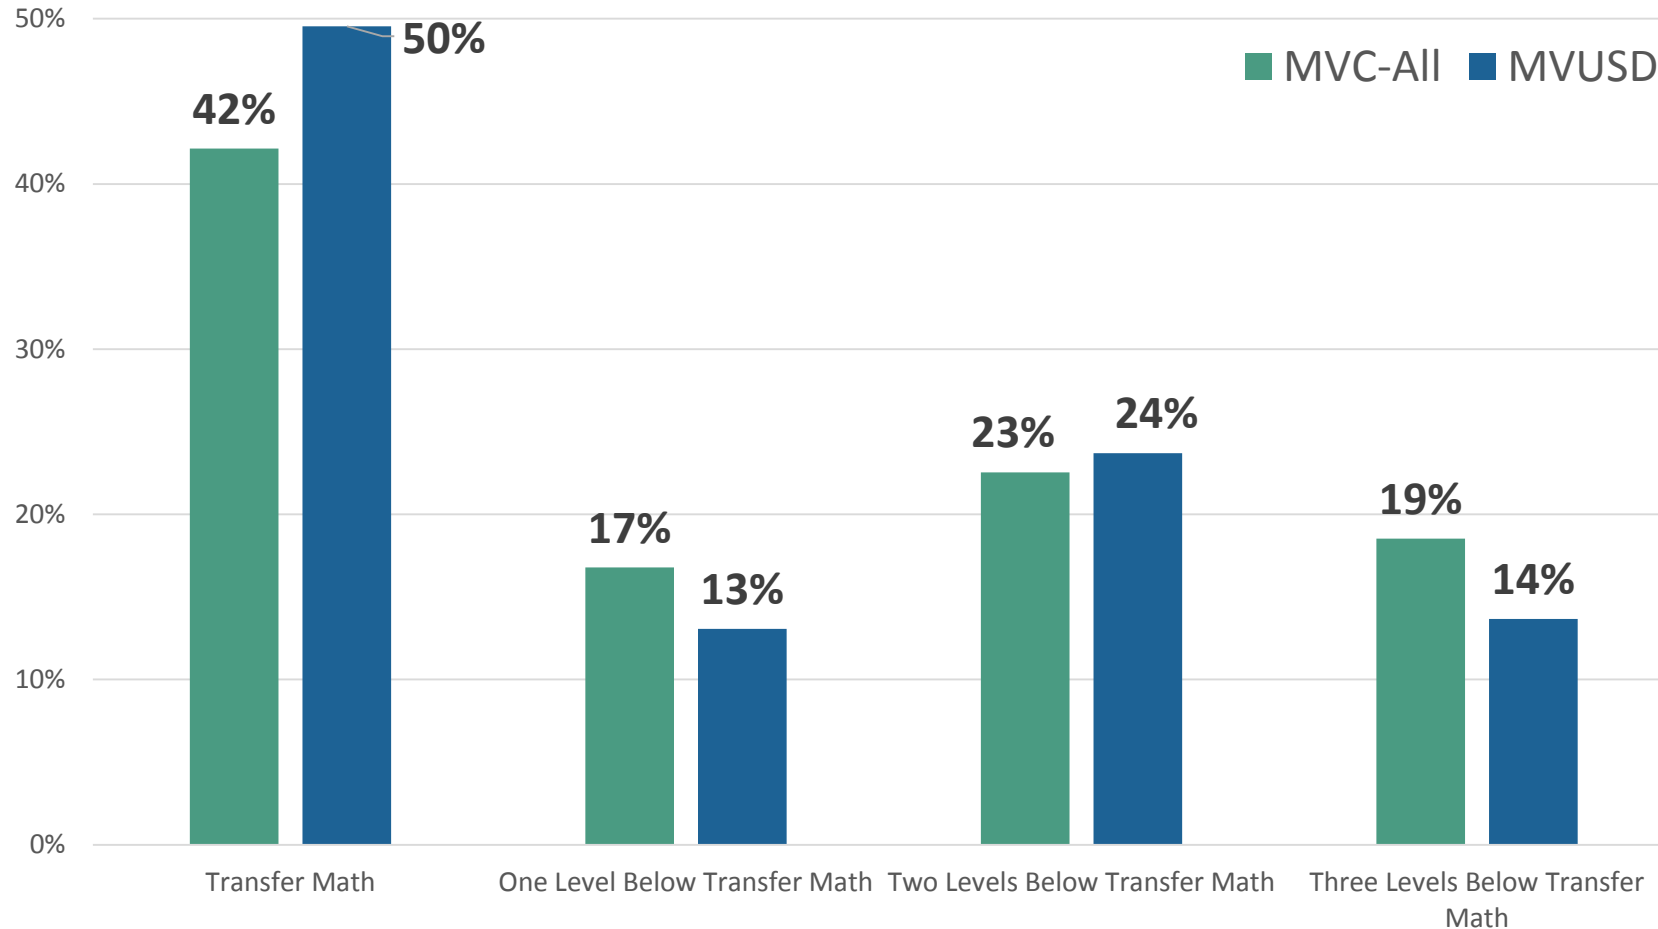

Multiple Measures for Placement

The following outcomes are based on AB705:

- Increase the numbers of students who enter and complete transfer level English and mathematics/quantitative reasoning in one year

- Minimize the disproportionate impact on students created through inaccurate placement processes.

- Elimination of Accuplacer

- Use MMAP/AB705 matrices which include high school performance indicators
