Education

Riverside Community College District offers a wide variety of educational opportunities to its students and the community which addresses alcohol, tobacco and other drug related issues. Information about courses is available in the college catalog, class schedule and through the Counseling Center. Additional educational opportunities include awareness activities, conferences, workshops, films/videos and lectures, some of which are available at Student Health & Psychological Services at each college location.

Assistance and Referral

Students can seek help through Student Health and Psychological Services. Health professionals provide assistance for students with alcohol, tobacco or drug related problems including crisis intervention, education and/or referral. Contact the Student Health & Psychological Services.

Regulations for Policy 3570, Smoking on Campus

The Board of Trustees, students and staff of Riverside Community College District recognize the serious health problems associated with smoking tobacco or other non-tobacco products and the use of smokeless tobacco. It is also recognized that tobacco smoke poses a health risk to non-smokers. Although it is desired that the District maintain a smoke-free environment, the Board recognizes the need for each campus to determine whether or not their campus should be completely smoke-free or have designated smoking areas. All District locations are completely smoke-free environments and smoking is prohibited on any of these properties, including parking lots.

Smoking of any form of tobacco or non-tobacco products is prohibited in all District vehicles, or at any RCCD sponsored activity or athletic event inside any indoor area or within twenty (20) feet of a main exit, entrance, or operable window at District Office buildings, (which includes CAADO, Alumni House).
