KIN A37 [Self Defense](#)

Rationale: Moreno Valley College would like to add KIN A37 to our curriculum to continue to offer new and updated Kinesiology activity courses for our students. This course will provide our students with critical skills in self defense that will greatly benefit physical and mental health, in addition to earning 1 unit in Kinesiology. We currently do not have any courses similar to this course in our curriculum and this would add variety to the courses we offer students.

ADT

Rationale: ART-19 supplements the core classes within the current ADT well. It offers students a course to explore important contemporary methods and materials relevant to art making today. Listing ART-19 as an elective will increase enrollment, as students earning an ADT in Studio Arts will and should receive elective credit toward their degree when taking this course.
