Agenda and Minutes

1. Approval of Agenda
Motion: K. Douglass; Second: B. Johnson
Approved, Unanimous

2. Approval of Minutes – October 1, 2024
Motion: B. Johnson; Second: K. Douglass
Approved, Unanimous

Action Items

1. Curriculum Proposals

Discussion Items and Public Comment

1. Vetting Upper-Division CORs – Nick Sinigaglia
 - a. Charles Wilhite with MVC needs to submit documentation related to how the curriculum committee will review baccalaureate courses. Nick Sinigaglia provided draft documentation for review.
 - b. Kelly Douglass – We can agree on a best faith extension of our current process, and then we can later amend our handbook, which would go to Senate. In the approval of upper-division courses, perhaps say “Local curriculum process” instead of “Corresponding

approval procedures.” The items about the upper-division courses appears to come from the PCAH, but content is missing. There’s information regarding prerequisites established via content review and how they are applicable only to the baccalaureate degrees. That should be included.

2. Adding “Honors” to Honors CCN Course Titles – Kelly Douglass
 - a. This item was discussed during the review of curriculum proposals.
3. WKX Plan – Kelly Douglass
 - a. Postponed to next meeting.
4. Open Forum
 - a. None.
5. Public Comment for all items on or not otherwise on the agenda.
 - a. None.

Adjournment: 5:04 pm

<p>For CCN courses, required objectives should be listed as such. Local objectives should not be labeled. The description should not list what is required and what is local because it is student facing. Methods of Evaluation has a required blurb of language. Local language should be bulleted per RCCD local formatting guidelines. Content from the template is single level, however, local content is recommended to have second levels. However, this will be at CCN impacted disciplines' discretion. Non-CCN courses should all continue to have multi-level content. Course materials is also notated as CCN Required, however, all texts for all courses are recommended; "CCN template representative texts/materials". The notation for texts should go in the title field.</p>

<p>Unit change. Norco voted the update down, but this is not reflected in the minutes report (faculty clarified this was launched before Norco voted). In the proposal, it is not clear what the new content is. Faculty commented that recently more time is needed in the course and with recent mandates students are coming to the course less prepared. If the methods of instruction are radically different such that the use of class time is different, that information should be in the rationale, proposal, or minutes so show the committee this is the case. Course has a prereq of Calculus II, so students should be entering prepared. Course is also found in the M/N/R Data Science Program, M/R MAT ADT, and MVC ECON ADT. The document that shows the topics taught at other colleges also does not appear to be accurate (this may have been based off the catalog description).
