Action Items

1. Curriculum Proposals

Discussion Items and Public Comment

1. CCN Phase 2B Implementation Standing Item
 - a. No updates.
2. TOP/CIP Transition – Curriculum Analysts
 - a. Casandra Greene – Per the State Chancellor’s Office memo, they are extending the implementation timeline for TOP/CIP, but we are suggesting that we move forward with the timeline we discussed previously at Tech Review. The extension will primarily help Business and Finance with their downstream impacts. Additionally, the e-mails that go

out on April 17 will focus on credit courses. When we have more guidance on non-credit, we will circle back.

- i. Steven Schmidt – Noncredit courses will need two CIP codes?
 - ii. Casandra Greene – Correct. One code for federal, and a second for local purposes.
 - iii. Bryan Medina – We don't have much information on what implementation looks like for the two codes yet, so we would like to wait for further guidance for now.
 - b. Casandra Greene – CIP codes for ADTs have also been cleaned up. We have about 57 of the 97 disciplines already validated.
3. Open Forum
- a. Nick Sinigaglia – Moreno Valley faculty appreciate the efforts by the Curriculum Analysts to get movement on General Work Experience TOP/CIP issues at the State. General Work Experience is used by Study Abroad and they would like to keep the course.
4. Public Comment for all items on or not otherwise on the agenda.
- a. None.

Adjournment: 3:34pm
