Plan Benefit Highlights for: Riverside Community College District
Group No: 07100 – 08301 & 08302

In this incentive plan, Delta Dental pays 70% of the PPO contract allowance for covered diagnostic, preventive and basic services and 70% of the PPO contract allowance for major services during the first year of eligibility. The coinsurance percentage will increase by 10% each year (to a maximum of 100%) for each enrollee if that person visits the dentist at least once during the year. If an enrollee does not use the plan during the calendar year, there will be a 10% decrease from the level attained the previous year. If an enrollee becomes ineligible for benefits and later regains eligibility, the percentage will drop back to 70%.
