- David Torres and David Buitron shared the data dashboards
  - [https://www.rccd.edu/admin/ed\\_services/ie/Pages/dashboards.aspx](https://www.rccd.edu/admin/ed_services/ie/Pages/dashboards.aspx)
- The dashboards are broken down by the colleges and District
- There is an internal dashboard available for more detailed info. that District leadership utilize
- Questions received from member Leal about:
  - High school students that are projected in the service areas to see how many students might attend the colleges/forecast about numbers
    - There is some data available about HS students
  - Unemployment data for how many people are unemployed
    - Labor market data would be complicated/assistance for data through other sources
  - Does the data include first time generation students or family education levels?
    - More specific data would require data details
    - David Torres shared that the data can be found through other agencies
  - Is there a summary report available annually to know who RCCD is marketing to and student outreach in one place?

## **LOGO CREATION**

- DMCC did not discuss

## **SOCIAL MEDIA GUIDE**

- Compilation of guidelines from six other districts and best practices
- Denise Terrazas from NC assisted with compiling the data and organizing the guideline
- Suggestions:
  - Member Kerr inquired about the disclaimers section with spacing issues, biography details, etc.
  - Member Leal suggested a draft watermark needs to be added and This document will be discussed with the DMCC and if approved, then move through the various governance routes
  - Member Clarke share this guide will go through General Counsel for input as well
  - Member Hansen suggested one page with all social media links and add the disclaimers to the page vs each social media site
- Member Clarke requested feedback be provided back about the Social Media Guideline back by the next meeting
- There has been a DMCC email shared email to assist with correspondence with the committee
- Member Hansen asked about clarity language as folks don't like to hand over credentials for accounts and this should be included in the Guide
- Member Rizo inquired about recourse if people are trying to represent the institutions, etc. and the goal is to look through various lenses
- Member Vargas shared about a student creating unofficial social media accounts and how there was nothing to reference with the student for counsel\
- Renee shared that the Social Media Guideline was cleaned up via Arial font and watermarked; it was requested that feedback be shared via redline
