# HOW CAN GRANT MANAGERS USE SAGE

---

To utilize Sage Software for Grant Management and Compliance

- 1) Grant Managers must add the following information to the grant requisition:
  - ✓ Indicate inventory is purchased with grant funds
  - ✓ Identify funding source; note if federal
  - ✓ For federal grants, include award number and any language required by the funding agency
- 2) This information will be used to develop asset tags and track inventory in Sage

# GRANT MONITORING – NEXT STEPS

---

- Grants & Sponsored Programs continues to work to populate Grant Navigator
- Access has been limited, but available upon request
- Challenges include:
  - Uploading information for grants that are currently active
  - Inactive grants
  - Naming convention

# GRANT TRAINING

---

- FCMAT Recommendation
  - To develop and deliver New Grant Manager Orientation
  - Ongoing grant management training for anyone engaged in grant management

# GRANT TRAINING

---

## Under Development

- 1) Use Canvas to deliver training to new grant managers
  - Getting Started
  - Financial monitoring/Galaxy Basics
  - Purchasing
  - Concur
- 2) Break training into modules that can be accessed on your own time and reviewed as needed
- 3) To the extent possible, use discussion rooms and threads to offer real-time assistance and one on one and small group support

# CONTRACT PROCESSING & TRACKING

---

## 1) FCMAT Recommendation

- To develop and implement Subaward Process & Procedures

## 2) Grant Office Goal & Outcome

- Reduce the amount of time it takes to complete the contract process

## 3) Concerns from End Users

- Inability to close the loop

# CONTRACT PROCESSING & TRACKING

---

## Current Process

- Depends on type of contract
- ACT Process
  - Multiple reviews and approvals
  - Legal review may be required
  - Board approval may be required
  - May go to Purchasing before returning to initiator
  - No easy means of identifying where contract is in the process

# CONTRACT PROCESSING & TRACKING

---

## Under Development

- 1) Identify a technological solution to process contracts that allows the initiator to identify where in the process the contract is
- 2) Work with Business Services to implement this process as part of Post Award Grant improvements

# WHAT ELSE IS HAPPENING

---

- Post Award Grant Management Survey
  - Sent to all individuals who:
    - Manage grants
    - Supervise grant managers
    - Support grant management
    - Manage grant funds
  - The goal is to improve user satisfaction with the post award process, targeting
    - Efficiency
    - Effectiveness
    - Timeliness
    - Clarity
    - Consistency

Where else can we use technology  
to make improvements?

What else should be included in the  
New Grant Manager Orientation?
