RIVERSIDE COMMUNITY
COLLEGE DISTRICT

100 Years of Affordable, Quality Education

The cost of attending California's public universities continues to rise and is now more than six times that of attending a community college.

For nearly 100 years, the Riverside Community College District has provided excellent education to students, families, and veterans at an affordable price.

2022-2023 Degrees and Certificates **Awarded**

Preparing Students for Careers and Skilled Trades

RCCD trains the next generation of local nurses, paramedics, firefighters, and police officers, and supports returning veterans.

Developing the Inland Empire Technical Trade Center to help prepare students for skilled trades, and additional sites like the Corona Education Center will expand educational access and job training.

RCCD is Working for the Inland Empire

- One out of every forty-three jobs in the RCCD service area is impacted by the activities of Colleges and their students
- The agreements RCCD has with major employers through the region provide local students with career pathways and good paying jobs.

Amazon Adds MVC to its Career Choice Program

Moreno Valley College was one of 40 higher education institutions added to Amazon's Career Choice program. This addition of institutions brings the total number of approved colleges to 180 in 14 countries that can provide educational services to Amazon employees. In California 10 higher education institutions are approved providers of services. Of the 10, seven are community colleges. In the fall of 2021, Amazon invested \$1.2 billion in its hourly workforce. A portion of the monies included tuition funding opportunities for nearly a million workers.

School of Nursing Recognized as Apple Distinguished School

The Riverside City College School of Nursing was recognized as an Apple Distinguished School. Apple Distinguished Schools are centers of innovation, leadership and educational excellence. They use Apple technology to connect students to the world, fuel creativity, deepen collaboration, and make learning personal.

The selection of the School of Nursing (SON) highlights the program's success in creating an innovative and compelling learning environment that engages students and provides tangible evidence of academic achievement. The SON was cited for its leadership and educational excellence that demonstrates Apple's vision for learning with technology. With iPad and other Apple technology, the SON is redefining nursing education pedagogy, transforming knowledge attainment, increasing digital literacy, and improving patient outcomes and professional readiness.

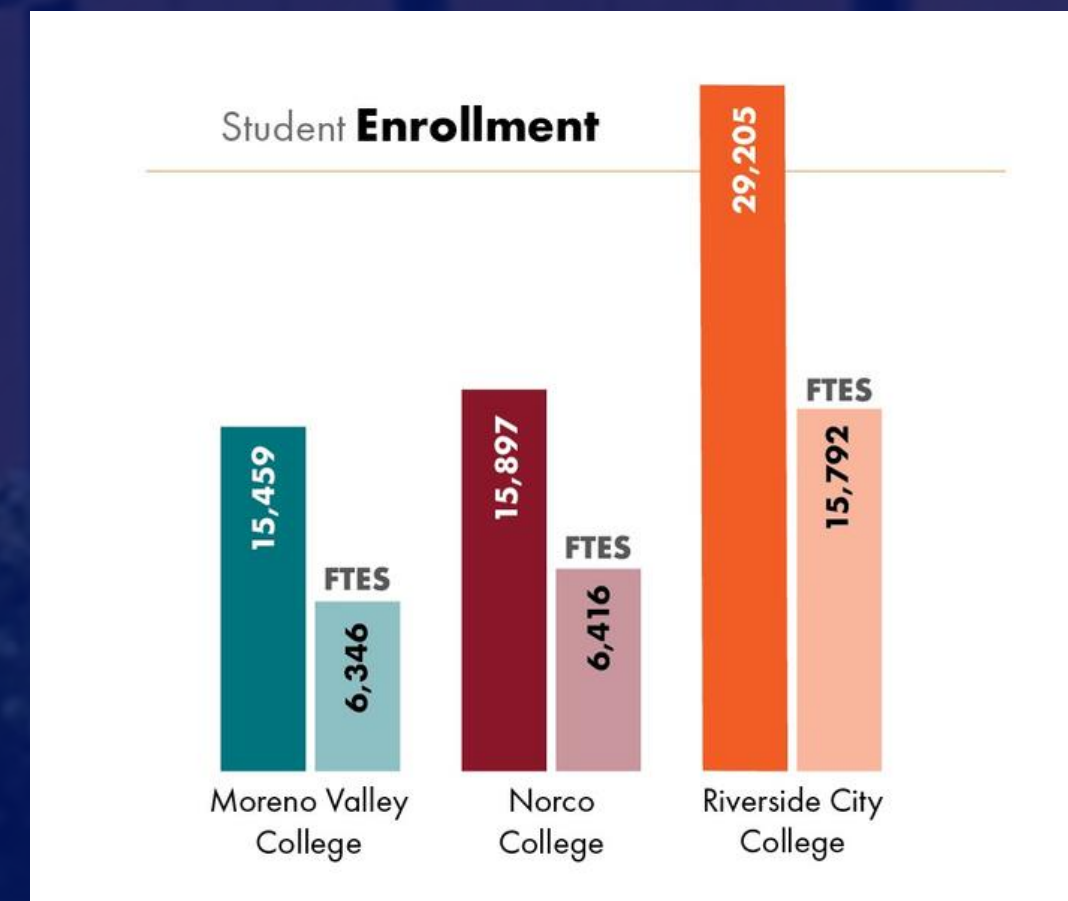

District Sets the Foundation for a Technical Trade Center

Auto Tech Students Accepted into Tesla START Program

After 100 Years, Updates Are Needed

Many of our buildings are deteriorating and outdated. We must address urgent needs to ensure all students learn in classrooms that are clean and safe.

Basic Repairs and Updates Needed

Repair needs include:

- Removing asbestos, mold and lead paint
- Upgrading outdated electrical wiring, gas & sewer lines
- Fixing leaky roofs
- Improving earthquake safety

Maintaining Our Affordable Education Vision: November 2024 Education Bond Proposal

Introduction of Subject Matter Experts

- Catherine Lew, Co-Founder – Lew Edwards (Lead)
- Nic Heuer, Shareholder – Stradling Law (Bond Counsel)
- Jennifer Longley, Senior Consultant – Lew Edwards (Lead)
- Chet Wang, Managing Director – Keygent (Financial Advisor)
- Ivory Li, Managing Director Piper Sandler (Underwriter)
- Dr. Richard Bernard, Partner – FM3 Research (Polling)

The District's Fiscal Accountability

The District has a proven track record of being good stewards of taxpayer dollars:

- Measure C (2004) bond tax rates have never exceeded the voter-promise of \$18 per \$100,000 of assessed value
- Measure C bond refinancings have resulted in over \$58.5 million in taxpayer savings
- District bond credit ratings have been upgraded by Moody's from Aa3 to Aa1 and by Standard & Poor's from AA- to AA

Conceptual RCCD Ballot Measure Tested

(Subsequently Updated for Resolution)

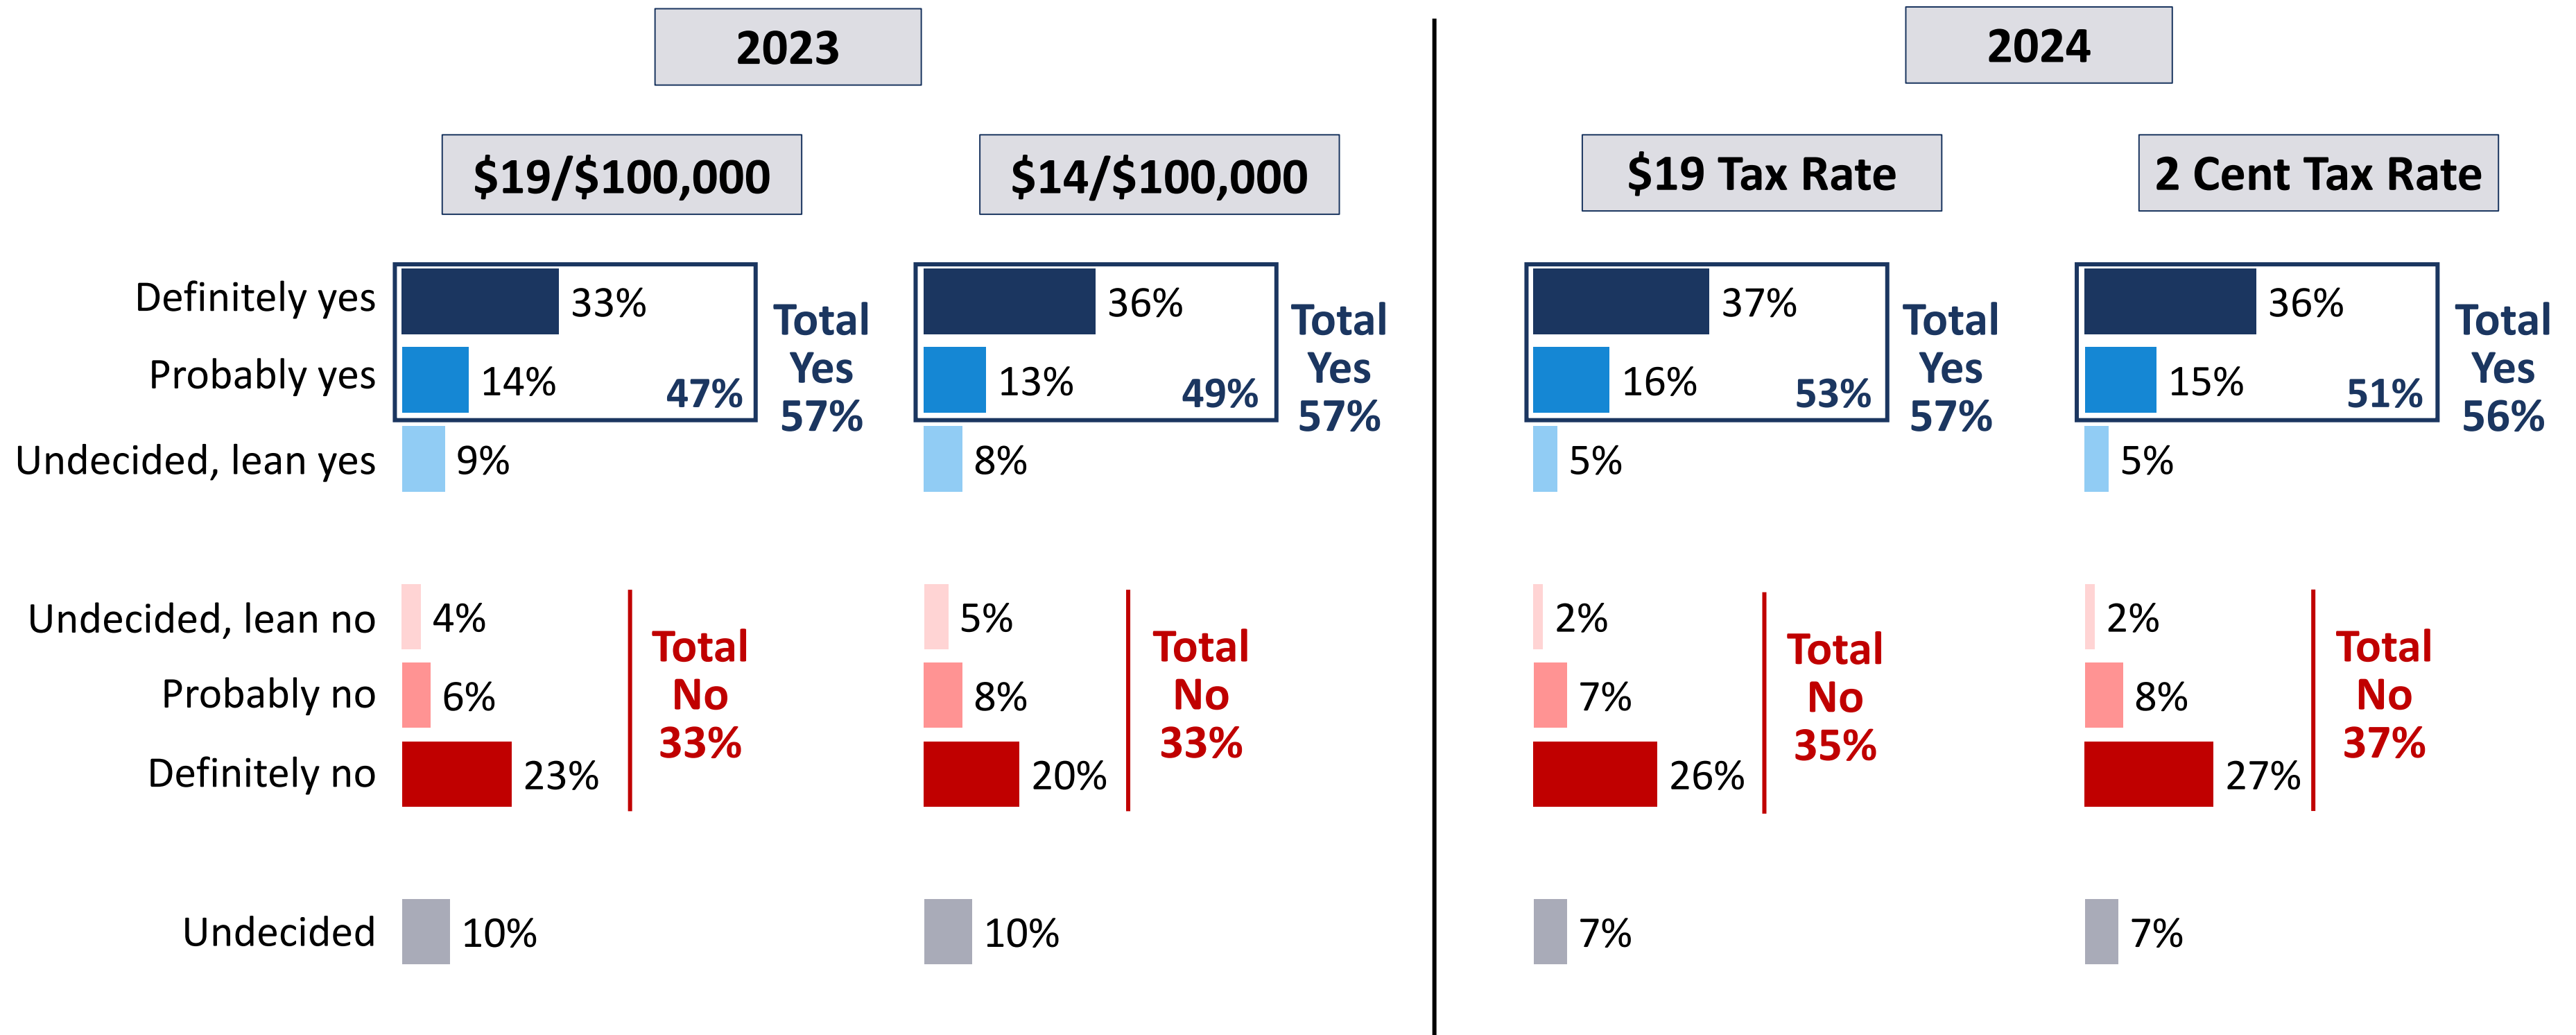

RIVERSIDE COMMUNITY COLLEGE DISTRICT CAREER PREPARATION, AFFORDABLE HIGHER EDUCATION MEASURE.

To repair/upgrade local community colleges, improve access to affordable higher education for careers/university transfer; provide safe drinking water; remove asbestos, lead paint; repair deteriorating gas lines, roofs; upgrade safety/security; and acquire, construct, repair facilities, sites, equipment; shall Riverside Community College District's measure authorizing \$954,000,000 in bonds at legal rates, levying **(SPLIT SAMPLE C: "\$19 per \$100,000")****(SPLIT SAMPLE D: "2¢ per \$100")** of assessed valuation (\$57,000,000 annually while bonds are outstanding), with oversight/audits, be adopted?

Riverside CCD Funding Needs and Initial Vote on Bond Measure

Opinions have remained consistent in 2023 and 2024.

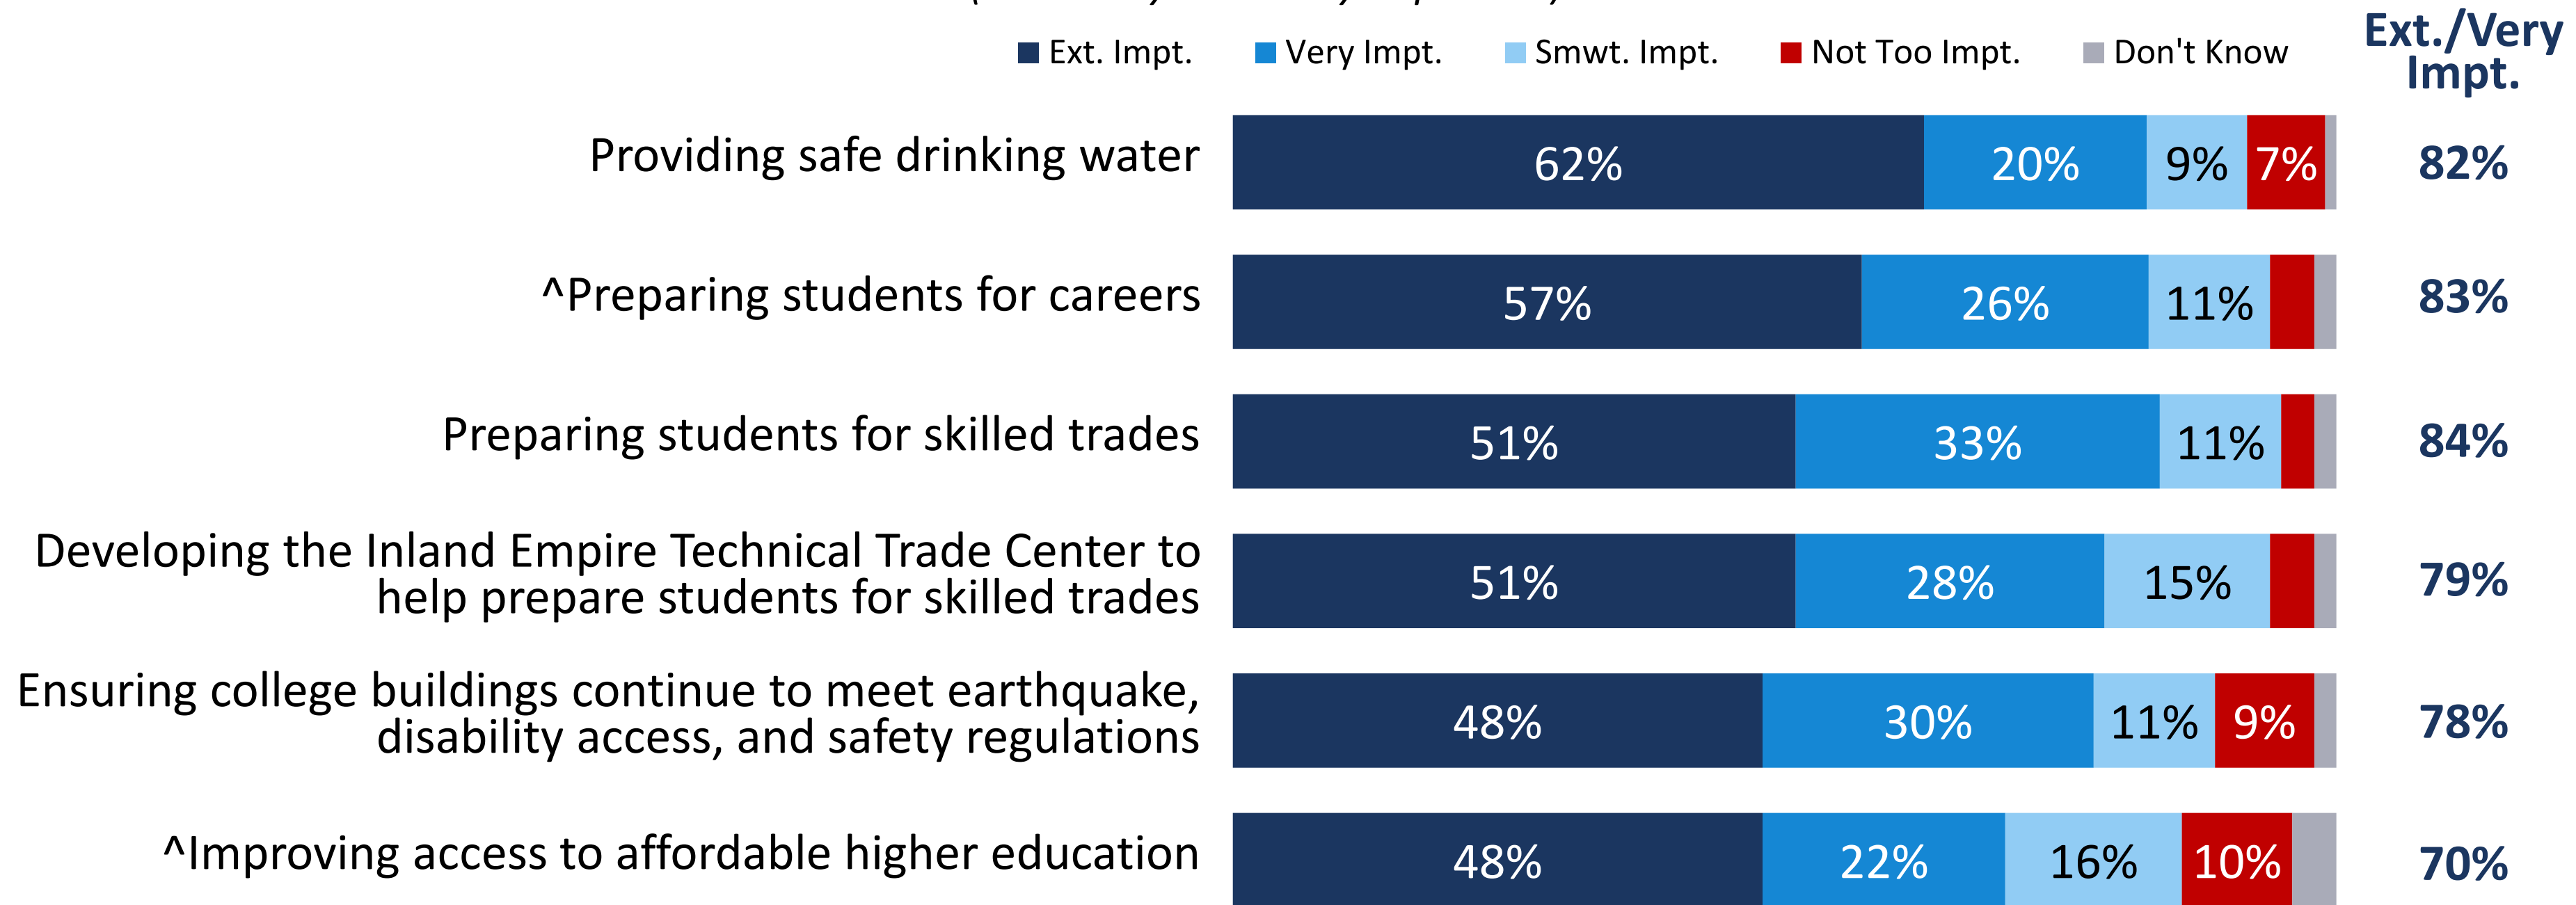

Funding Priorities

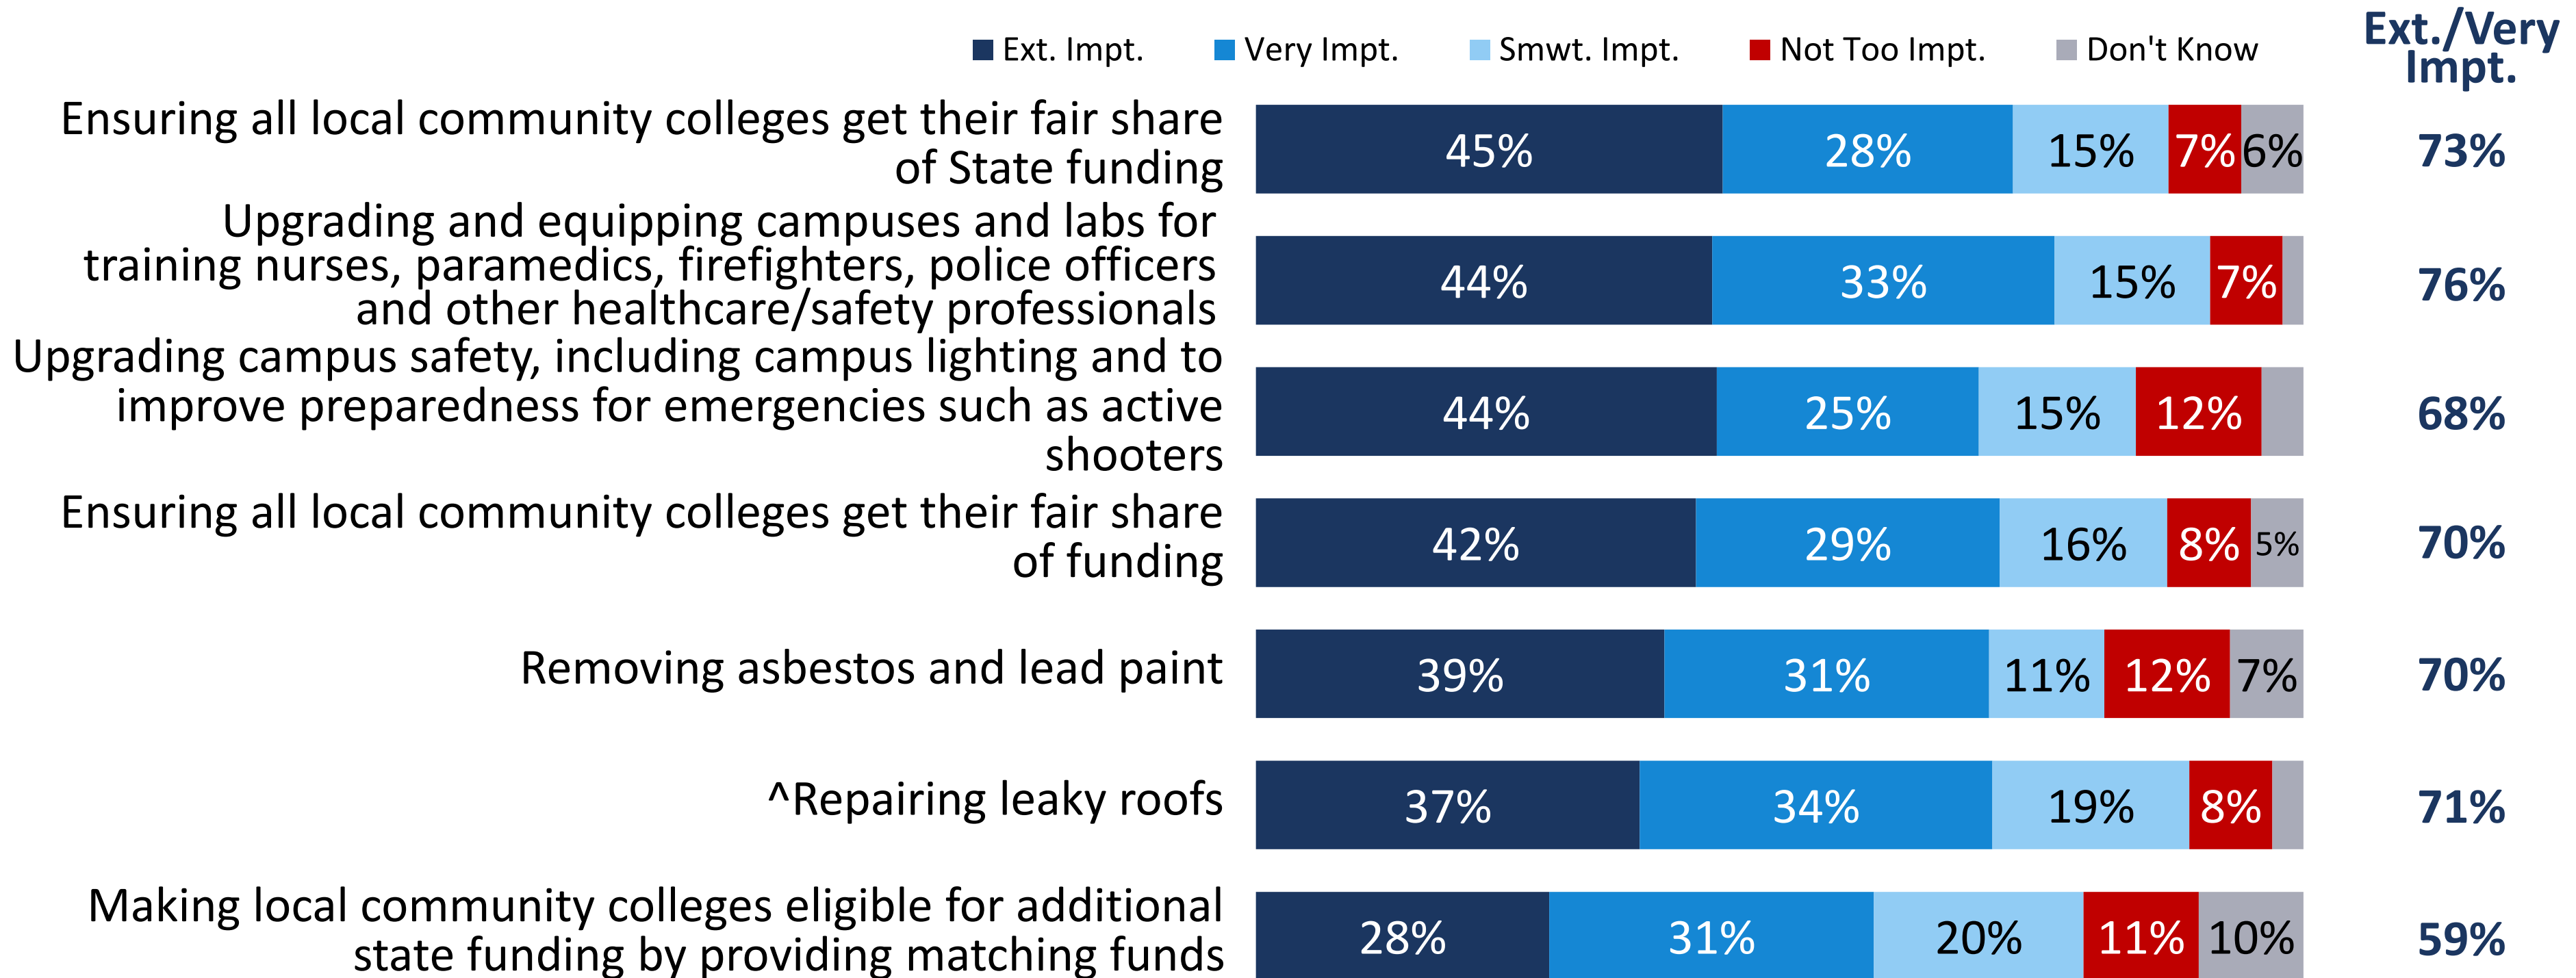

Safe drinking water and career/skilled trades training are top priorities, along with access to affordable higher education.

The Effects of Educational Statements

Informational Statements Tested in Survey

(Ranked by Very/Somewhat Convincing Reason to Vote Yes)

■ Very Conv. ■ Smwt. Conv.

(WORKFORCE) Tens of thousands of local residents rely on Riverside Community College District's colleges each year to get the job training, technical knowledge and specialized skills they need to compete for good-paying, modern careers. This measure will allow our local community colleges to upgrade career programs and partnerships with local employers so students are prepared for our region's changing economy and today's in-demand careers in nursing and healthcare, police, firefighting, construction trades, social work, teaching, technology, engineering and more.

***(MVC COMMUNITY)** Moreno Valley College is an essential part of our community that needs our continued support. The college provides low-cost, high-quality education, job training close to home and is key for training the police officers, firefighters and paramedics who keep our community safe. This measure will ensure Moreno Valley College gets its fair share of funding so future generations have the same opportunities.

(AFFORDABLE) The cost to attend California's public universities has risen to at least six times that of attending a community college. This measure increases opportunities for local students to earn college credits and certifications, and learn job skills at an affordable price, and then transfer to four-year colleges and universities without generating crushing debt.

(Ranked by Very/Somewhat Convincing Reason to Vote Yes)

■ Very Conv. ■ Smwt. Conv.

(REPAIRS) Many of the buildings, classrooms, science labs, and job training equipment in the Riverside Community College District are deteriorating and outdated. This measure will address urgent, basic and future repair needs such as removing asbestos, mold and lead paint; upgrading outdated electrical wiring and gas and sewer lines; fixing leaky roofs; and improving earthquake safety to make sure all students learn in classrooms that are clean and safe.

(TRADES) This measure will allow for local community colleges to expand and improve classrooms and workspaces and develop the Inland Empire Technical Trade Center to prepare our students for careers in skilled trades such as welders; electricians; and heating, ventilation, and air conditioning technicians. This will ensure our students are qualified for these in-demand, good-paying jobs and provide the workforce our area needs.

(FIRST RESPONDERS) Riverside Community College District colleges train a large number of the nurses, firefighters, police officers and paramedics in our area. This measure will help improve and repair training facilities, classrooms and labs to address the local shortage of nurses and public safety personnel and ensure they are trained on the latest life-saving technology and techniques, and for future public health and natural disaster emergencies.
