

MLA is Our Voice

The MLA Board has a monthly meeting with the Chancellor and the Vice Chancellor of Human Resources and Employee Relations. Recently the topics included the evaluation process for managers, opportunities for professional growth and development, and the anticipated completion of the Classified classification and compensation study.

It is the intent of the Board to introduce topics that are important to our members. Share your interests, topics, and suggestions with an MLA Board member for discussion at the next meeting.

If you know a RCCD Manager who is interested in joining the MLA, please feel free to forward the MLA Membership Letter and Form - [Click Here](#).

Achieve the Dream Endowed Scholarship

Putting Students First

Several years ago, RCCD's MLA Board established the "Achieve the Dream Endowed Scholarship." The scholarship is awarded annually to a student in the district. Providing scholarships to RCCD students is a priority for MLA because it allows the association to invest in the next generation of leaders, who will have a positive impact on our community in the future. Also, we further demonstrate our commitment to education and our belief in the power of learning to transform lives.

The 2022 recipient is Kelsey Navarro, a Business Administration/Real Estate Concentration major at **Moreno Valley College**.

Kelsey describes herself as a person who likes to spread kindness. Her education plan is to finish at Moreno Valley College and transfer to the University of California Irvine. Kelsey attributes both the First Year Experience (FYE) and the Puente Program as two big positives in her growth and is grateful for the opportunity she has had to be a volunteer in her community. Her goal is to "succeed, to get rich, and to give back to all."

Congratulations, Kelsey!
